

"From Gaza to Victoria: One-way Road" With Omar Mansour

As part of the Middle East Discussion Group
Thursday Feb 26, 4:30 - 5:30 PM
University of Victoria, Sedgewick C168

Please join us in welcoming **Omar Mansour**, a human rights activist from Gaza, currently studying at UVic. Omar will start off our discussion by talking about life in the imprisoned coastal enclave, humanizing the plight of nearly two million people — and about his long journey to Victoria.

Each month the Middle East Discussion Group meets to discuss current affairs, culture, and graduate student research related to the Middle East. All students and faculty are welcome (with an emphasis on graduate students). Tea will be provided.
